

'MANICURED VINEYARDS, CLASSICAL WINEMAKING & CREATIVE ARTISANSHIP'

Beginning with the 2006 vintage, Luc & Jodie Morlet have been handcrafting vineyard designated wines and unique cuvées of Cabernet Sauvignon and Cabernet Franc from the Napa Valley as well as Chardonnay, Pinot Noir, Syrah, a Proprietary white Bordeaux-style blend and a Late Harvest Sémillon from Sonoma County. Meticulously farmed vineyards and low-intervention winemaking techniques produce powerful yet refined wines. By taking old world principles and adapting them to California, the Morlet style results in wines which are harmonious in their intensity, richness, complexity and refinement. It is this notion of harmony that inspired their logo, based upon 19th century French artist Mathurin Moreau's sculpture entitled, 'L'Harmonie.' The Morlet wines clearly display personality, seamless character and graceful ageing capability.

Morlet Family Winery, St. Helena, Napa Valley

In August 2010, Luc and Jodie purchased a charming estate, just north of the town of St. Helena. Since then, they have been busy converting the historic stone building, built in 1880, into their family's winery. This building was originally the Castner Winery, until its closure during Prohibition. Located in the beautiful St. Helena Appellation, the estate is planted with Cabernet Sauvignon and is the exclusive fruit source for their 'Morlet Estate' label. In 2015, Luc and Jodie planted their 20 acre 'Cœur de Vallée' vineyard. These Cabernet Sauvignon and Cabernet Franc vines are located on the world renowned Oakville Bench.

Several years ago, Luc and Jodie Morlet planted a vineyard in Knights Valley, near Calistoga. Located on the foothills facing the western slopes of Mount St. Helena, this vineyard provides the fruit for their 'Mon Chevalier' Cabernet Sauvignon. The warm and windy climate is ideal for the long ripening of the five Bordeaux varietals. In addition to their family-owned vineyards, they also direct the farming under long-term contracts on vineyards located in Oakville, Napa Valley, as well as Russian River Valley and Fort Ross-Seaview on the Sonoma Coast.

Luc's family has been handcrafting award-winning Champagnes for five generations. The Morlet family's vineyards are nestled in the heart of France's Champagne region and all bear the prestigious designation of either Grand Crus or Premiers Crus. The deep, chalky subsoil and temperate microclimates of these hillside vineyards provide wonderful and unique growing conditions for both Pinot Noir and Chardonnay grapes. Named in honor of Luc's grandfather, 'Pierre Morlet Champagnes' are imported by Luc and Jodie. The multi-vintage 'Grande Réserve' and 'Rosé' as well as the vintage 'Millésime' are available by contacting the winery in St. Helena.
